VISION STATEMENT

This statement of purpose indicates the reasons for the Association's existence and highlights the fundamental values which act as a guide to those actions and decisions which form our vision of future success.

Further to consideration at our planning review session, held 15th February 2019, the Management Committee at their meeting of 20th March 2019, endorsed the following statement, agreeing that it fully encapsulated W.H.A.'s ambition and duly approved its inclusion within our Business Plan.

“W.H.A.’s aim is to provide and develop high quality, affordable homes and maintain our commitment to continuous improvement, both in our service delivery and in the regeneration of our communities”.
