

WHA Contractors and Suppliers:

The Association employ a range of contractors to deliver our repairs and maintenance requirements. To ensure we achieve a high standard and value for money, these contracts are procured through Public Contracts Scotland (PCS), either as an **individual** organisation or part of a joint procurement initiative, along with other housing associations (**IFLAIR Framework**).

Responsive Repairs

Following procurement process **MPS (formally Mitie)** were appointed in October 2017, for a four year period. They deliver the Association's responsive repairs service (excluding 'specialist' works) (2017-2021).

Landscape Maintenance
