Williamsburgh Housing Association's Virtual Annual General Meeting.

Working in our new world where we are so reliant on technology to communicate with each other, we are delighted to announce that we held our first virtual Annual General Meeting yesterday evening.

Our shareholding members received a warm welcome from Chairperson, Margaret Symons, who highlighted that Housing had a key part to play in the recovery from COVID-19 and that Williamsburgh were supporting Scottish Housing Day 2020 to recognise the value of Housing to both our tenants and our wider communities.

Margaret highlighted that Scottish Housing Day 2020 was a great opportunity to reflect and celebrate excellent work in the sector and in particular the individual support that Williamsburgh staff had provided to tenants by contacting in particular, our elderly and more vulnerable tenants to offer support and advice or even just for a chat.

Commenting on the event, Margaret said, "This is a whole new world for everyone, and I am delighted at how smoothly our AGM went. It was particularly fitting that it was held on Scottish Housing Day."
